Shulman Rogers

Anthony Millin is the Chair of NEXT and a trusted legal and business advisor to startup, early-stage and emerging growth companies. As a corporate and securities attorney, a successful serial entrepreneur and a venture capitalist, Anthony brings a unique legal and business perspective to advising his clients. “Anthony has had a tremendous impact on the success of my company since we were in the startup phase,” says Dale Nirvani Pfeifer, Founder and CEO of GoodWorld. “He has not only provided sound and creative legal support, but has also served as a key business advisor throughout the growth of my company.” Anthony understands firsthand what it takes to start, scale and manage a company, to successfully prepare for and run a fund raising process, and to address the legal issues faced by a startup. Anthony has worked closely with a range of angel and institutional investors and helps clients identify real opportunities. He serves businesses across multiple industries including internet/SaaS, technology, biotech, cleantech, edtech, fintech and health care. Another specialized skill set Anthony brings to the table is his China-based experience, assisting early-stage and middle-market companies interested in conducting business in China or seeking direct foreign investment from China. Anthony also serves as a Venture Partner at Urban.Us, a seed stage VC firm. Contact Anthony at amillin@shulmanrogers.com.
