CLOSING REMARKS AND ADJOURN

KEYNOTE SPEAKER

KEYNOTE ADDRESS Governor Larry Hogan

Governor Lawrence J. Hogan, Jr. was sworn in as the 62nd governor of the State of Maryland on January 21, 2015. In 2018, he was overwhelmingly re-elected to a second four-year term, receiving the most votes of any Maryland gubernatorial candidate and becoming only the second Republican governor to be re-elected in the 242-year history of the state.

In his first inaugural address, Governor Hogan reminded citizens of Maryland's history as a state of middle temperament and pledged to advance the best ideas, regardless of which side of the political aisle they come from. He is recognized nationally as a strong, independent leader who consistently delivers real results and achieves common sense, bipartisan solutions.

After being elected by his fellow governors, Governor Hogan recently completed a successful term as chairman of the National Governors Association, and he consistently maintains one of the highest job approval ratings in the country.
