Technology Solutions & Support to Achieve Your DEI Goals

MARYLAND TECH COUNCIL
ADVANCING LIFE SCIENCES AND TECHNOLOGY

Michael Ogunsanya
CEO and Co-founder
MindStand

Michael Ogunsanya is an AI enthusiast, Meyerhof Scholar, and the CEO and Cofounder of MindStand. Prior to MindStand, Michael experienced workplace discrimination firsthand and it fueled him to create equitable tech for the next generation of workforce.

Their AI product at MindStand integrates within workplace email and messaging platforms to help leadership quantify culture and outline metrics to fostering a healthy online work environment. Based in Baltimore, their team has paved a way for DEI-tech
