

The Technology Inclusivity Initiative (TI2) Presents

Technology Solutions & Support to Achieve Your DEI Goals

Winston Philip

President
Sequivalent, LLC

Winston Philip is the President of Sequivalent, LLC. This consulting firm focuses on providing community-based organizations with data management training, technical assistance, and coaching. The goal is to help CBOs demonstrate their impact, tell their story, and deliver quality services to the people whose lives they impact. Before forming Sequivalent, Winston served as the Interim Deputy Director of the Baltimore Civic Fund and as the Manager of Data Analysis and Performance for The Center For Urban Families in Baltimore, MD.

Board service is a large part of Winston's commitment to the community. He served as the Board Chair for Baltimore City's Continuum of Care, is a board member of Art With A Heart, the Digital Harbor Foundation Vice-Chair, and the Maryland Tech Council board.
