# Pava LaPere Young Innovator Award

---

The Pava LaPere Young Innovator Award was established in 2023 in honor of the late Founder and CEO of EcoMap Technologies. This annual award will be given each year to acknowledge and celebrate the contributions of 30 years and under innovators who have demonstrated exceptional talent, leadership, and commitment to Maryland's community.

The Pava LaPere Young Innovator Award highlights three essential areas—innovation and impact, future potential and vision, and community engagement and service—each reflecting core aspects of transformative leadership.

## Instructions:

Please assign percentages to each item based on its relative importance or contribution to the corresponding questions below. **The total of all percentages must add up to exactly 100%.** These percentages will help assess the overall strength of each nominee based on their responses to the corresponding questions.

## Example:

**Question:** What makes you a successful baker?

- Ensuring each baked good is as delicious as the last: **40%**
- Baking with attention to hygiene and safety: **25%**
- Innovation in baking methods and ingredients: **15%**
- Always making enough for all your loved ones: **20%**

**Allocations = 100%**

If the total didn't equal 100%, adjust the percentages until it does.
