The Maryland Tech Council (MTC) is the largest trade association in Maryland focused on supporting the life sciences and technology industries. As a collaborative community, MTC helps members grow by offering opportunities to learn, share, and connect through expert-led programs and industry engagement.

MTC hosts a variety of events throughout the year, attracting speakers and attendees from across the state and country. These events are categorized into special interest areas, allowing participants to support specific groups of technology and life science leaders. We organize events of all sizes, from grand-scale celebrations that engage diverse audiences to smaller, focused gatherings that encourage insightful discussions. Our events include annual awards programs, roundtables, networking sessions, educational events, conferences, and golf outings.

For sponsors seeking consistent visibility throughout the year at various events and programs, MTC offers Signature Partnerships. These partnerships provide an excellent opportunity to connect with industry thought leaders and gain high visibility and extensive reach within the technology and life sciences communities. The program features a controlled fee structure, making it a practical choice for sponsors contributing over \$15,000, who automatically become part of our prestigious Signature Partner program.

Subject Matter Expert (SME) Spotlight

9808 Medical Center Drive, Rockville, MD or Webinar

MTC's SME Spotlight offers an exceptional opportunity to position your company as an industry leader by hosting an in-person Lunch and Learn at MTC's Rockville location or an online learning webinar for just \$1,000. You provide the subject matter expert, and we take care of the rest—targeted outreach, registration management, and seamless day-of event coordination. This is an ideal platform to share your expertise, engage a curated professional audience, and elevate your brand's credibility.

\$1,000

- MTC will provide lunch. We will be charging a nominal amount to attendees for their lunch as space is limited and this provides some accountability.
- Meeting space with AV capabilities (up to 75 attendees)
- Exclusive event for your content and speakers

Branding And Visibility

- Logo placement on signage
- Opportunity to give promotional items or branded giveaways
- Opportunity to display branded materials at the event

Marketing

- MTC can curate targeted invites to the event to meet your needs.
- Social media toolkit to help promote the event provided to you.
- Marketing of event with logo
- List of program attendees, excluding emails (who opt-in)

\$500

SME Thought-Leadership Blog Add-On

- For extended visibility, you can also add a thought-leadership blog post featuring your speaker or topic on the MTC website.

MTC Happy Hour

MTC Happy Hours are a relaxed and social gathering where members of the MTC community come together to unwind, connect, and build stronger relationships outside of the usual workday. These events provide the perfect mix of casual networking and fun, offering a welcoming space to share ideas, celebrate wins, and simply enjoy good company. Whether it's over light bites, drinks, or shared activities, MTC Happy Hours are all about strengthening connections, fostering collaboration, and creating memorable moments with colleagues and peers.

BioHub Maryland

BioHub Maryland is the Maryland Tech Council's workforce initiative for the life sciences. BioHub Maryland enables residents of all backgrounds to compete for rewarding careers in life sciences by offering skills training, career resources, and access to job openings.

Sponsors can engage through partnerships, the Workforce Breakfast Series, and other collaborative programming that prepare and inspire the next generation of life sciences talent. These opportunities not only elevate your organization's visibility but also showcase your commitment to workforce development.

To learn more, contact **Alexandra Haarich, Manager, Workforce Development & Partnerships** at Alex@biohubmd.com.

Biohazard Breakout Escape Room

December 2025

Join BioHub Maryland for a holiday-themed escape room as a fun, team-building event with your staff around the holidays. The BioHub lab will be transformed into a holiday escape room. Join us for a happy hour with beverages and snacks prior to completing the escape room. Your goal is to solve all puzzles in the lab with teamwork and collaboration!

Annual Alumni Celebration

Summer 2026

At this event, we will recognize our trainees and graduates, thank our employer partners, and support our community committed to building a diverse talent pipeline.

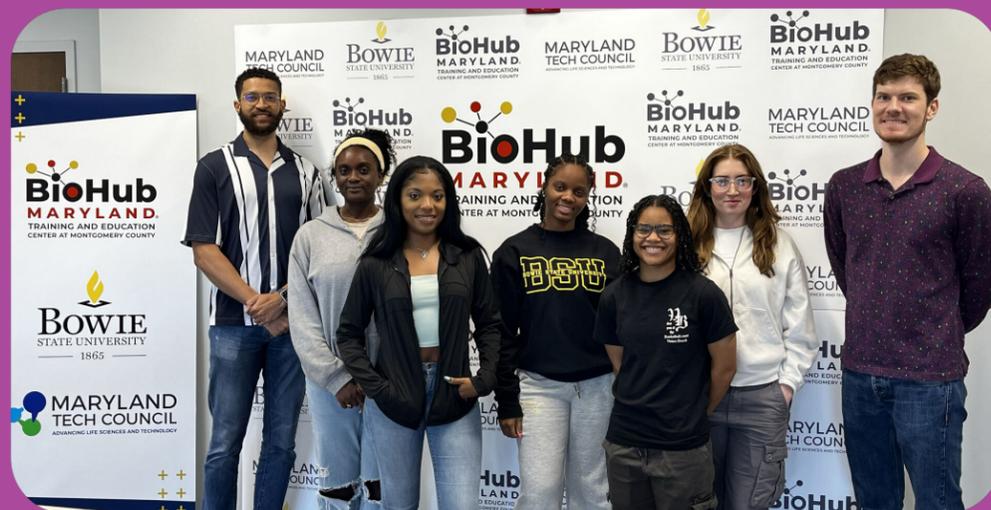

BioHub Maryland Partnerships

As a partner, your organization helps expand workforce opportunities, supports innovation, and gains visibility through programming.

BioHub Maryland Workforce Breakfast

A guest speaker will share insights on emerging trends, key challenges, and actionable strategies to strengthen and diversify the talent pipeline across the biotech and life sciences sectors.

Founding Partners

Digital Marketing Sponsorships

We're excited to announce new digital marketing sponsorship opportunities designed to help you share your company's news, showcase thought leadership, and reach Maryland's technology and life sciences communities.

To learn more, contact **Angela Hongmanivanh, Director of Marketing and Communications** at Angela@mdtechcouncil.com.
